TRANSFEREE'S DETAILS (transferring water to)

watertrading@tasirrigation.com.au

If the transferee does not hold the required Irrigation Right and/or Delivery Right, please identify this by marking the N/A box. A new contract will be issued to you in due course.

If you do not hold a Delivery Right ("DR") within the zone which you are transferring to, a new DR serial number will be issued to you under the terms of your existing Delivery Right contract.
