

Annexure 1 - Map of Irrigation District

ZONES

Each Zone comprises the following part of the Scheme:

If the Zone is a Trunk Zone:

- (a) the Zone as shown on this plan;
- (b) the part of the Liffey River which is part of Zone 1 as shown on this plan if it is not otherwise part of the Zone; and
- (c) all other parts of the water delivery system of the Irrigation District through which water flowing from the Stoneycroft Pump Station must necessarily pass to reach the Zone as shown on this plan; and

If the Zone is a Spur Zone:

- (a) the Zone as shown on this plan; and
- (b) the Trunk Zone to which that Zone joins.

The following Zones are Trunk Zones:

- 01: Zone 1
- 03: Zone 3
- 04: Zone 4
- 05: Zone 5
- 06: Zone 6
- 07: Zone 7

The following Zone is a Spur Zone:

- 02: Zone 2
